

# WAMRA Mission Statement

*"To promote and grow ride-on mower racing in Western Australia by providing a safe, inclusive, and welcoming environment. We are committed to delivering well-organized events that prioritize participant and spectator safety, encourage community involvement, and welcome people of all ages, abilities, and backgrounds to enjoy this unique motorsport."*

## Mission & Purpose

- **Community-focused Motorsport:** WAMRA's mission centres on fostering a vibrant, fun, inclusive environment where families and friends can enjoy ride-on mower racing as both participants and spectators.
- **Support & Growth:** As part of its commitment to community engagement, WAMRA provides safety measures and inclusive opportunities—partnering with organizations like St John WA —showing a strong emphasis on welfare and accessibility.

## Core Aims

- **Promote Family Participation:** Encourage involvement across ages and abilities, creating a fun, safe motorsport experience for all.
- **Organize Racing Events:** Host events in various mower classes, from Standard to Super Modified 'A', structured to maintain competition integrity and enjoyment.
- **Enhance Community Wellbeing:** Offer community-driven entertainment, encourage spectatorship, and ensure safety through trained first-aiders and partnerships.
