Race Day Recap

BUNBURY RACE MEET — WHAT A GREAT DAY!

A huge thank you to everyone who came down and supported our first Bunbury race meet. Being our first event at Bunbury, there were a few unknowns, but overall, we feel it was a great success, and we look forward to more race days in the Southwest.

To our racers, thank you for the sportsmanship, support and positive attitude shown throughout the day. It is something the club can be proud of.

THANK YOU TO BUNBURY SPEEDWAY

A big thank you to **Bunbury Speedway** for helping us introduce mower racing to the Southwest. We truly appreciate the support with the track preparation, grader, water cart and barricades. Your help made a huge difference in getting the day up and running.

A special thank you to **Glenn, Murray and Jason** from Speedway for your support on the day.

VOLUNTEER SHOUT OUT

VOLUNTEERS — WE APPRECIATE YOU!

A massive thank you to our volunteers:

Cath, Rohan, Allan, Oscar and Jason

Thank you for helping on the flags and keeping the day running smoothly. Without our flaggies, no one would know when to stop, start or slow down! Most of all they help keep our racers safe!

Volunteers are such an important part of race day, and we truly appreciate the time and effort you put in.

CLUB UPDATES

FIRST AID RESPONDERS REGISTER

To help improve safety at our race meets, WAMRA will be creating a register of members who hold a current first aid qualification and are willing to assist if required on race days.

Our current first aid responder is **Deb Barnett**.

If you are first aid qualified and happy to be added to the register, please let the committee know.

Being listed as a first aid responder **will not affect your race time**. It simply helps us know who is available to assist Deb in the event of an incident.

The committee has also ordered **First Aid vests** so first aid responders can be easily identified at events.

This is another step towards keeping our race days safe, organised and supportive for everyone.

FLAGS

We have purchase new flags to update the current flags which a little worse for wear!

It was decided to purchase a Club Flag to fly high on race days!

SAFETY & TRACK NOTES

PINJARRA TRACK UPDATE

As many of you know, the **Pinjarra track is in need of some repairs and improvements.**

The committee has reached out to multiple civil companies seeking **sponsorship and support for track repairs.** At this stage, many are fully stretched with other commitments, but we are continuing to work hard behind the scenes to get the work done. We appreciate everyone's patience and understanding while we work through the best options for the club. **There is some exciting news to come, so watch this space!**

MEMBER NEWS

A big welcome to our new racers **David, Scott and Adam.** We hope you enjoyed your first day with WAMRA and we look forward to seeing you back on track at **Pinjarra on Saturday 23rd May.**

WELCOME BACK

We would also like to welcome back **Brad Black and the Lawnatics crew!**

It is so good to have you back and part of our WAMRA community. We look forward to seeing you trackside and being part of the club.

SPONSORS & SUPPORTERS

SPONSOR UPDATE

WAMRA would like to thank our current sponsors and supporters, including **West Coast Roofing** and **Bunbury Speedway,** for their ongoing support of the club.

We also have some future sponsorship interest, which is looking positive for WAMRA and the continued growth of the club.

Sponsorship and community support play a huge part in helping us improve, grow and keep mower racing accessible, family-friendly and fun.

Exciting things are happening behind the scenes, and we look forward to sharing more soon!

RACE DAY CHECKLIST

Item	Notes
Sign waiver and pay fee before setting up	FOOD & COFFEE VANS We understand that food and coffee vans are a great addition to race days, and we will always look into options where possible. However, depending on racer numbers, spectator numbers and event location, it is not always profitable for vendors to attend. Because of this, food and coffee vans may not always be available at every meet. Members, racers and spectators may need to bring their own food and drinks on some race days. We will endeavour to keep everyone updated before each event so you can plan ahead.
Attend driver briefing	
Safety gear ready	
Mower checked	
Bring water, shade and sunscreen	
Help with set up and pack down
